

### License Details

When viewing the license details of an educator, the Stage displayed on a license that expires this year may not reflect the actual Stage for which the educator has been approved. If verifying current licensure for employment, it is recommended that the applicant provide proof of accurate licensure via a copy of their license certificate.

For information about license statuses, please review [Check My Educator License Status](#).

Information valid as of 07/03/2023 05:03 PM

All paid applications will be reviewed by DPI. The length of the review process (and possible approval) will vary due to the complexity of each application and overall volume of applications received. This process may take at least 6-8 weeks.
